

AGROCHAIN TRANSPARENCY LABS

QUALITY ASSURANCE & ORGANIC VERIFICATION DEPARTMENT

Ref ID: #AC-CROP-1

Date: 28/4/2026

TO WHOMSOEVER IT MAY CONCERN

This official document serves as a certificate of compliance confirming that the crop cultivation lot registered by **Rajesh Patel** under ID #1 has passed all rigorous chemical-free farming standards, soil health toxicity tests, and ownership deed verifications conducted on-site by our authorized verifiers.

Crop Cultivation Type

Basmati Rice

Farming Methodology

ORGANIC

Verified Area Size

5 Hectares

Land Survey Deed No

SUR-BAS-2026-101

GPS Verification Coordinates

Latitude: 18.5204 • Longitude: 73.8567

The chemical checks and soil nitrogen audits align with organic parameters. The farm has been successfully logged on the immutable blockchain registry for trace-back safety.

TESTER REMARKS

"All organic parameters verified. Soil nitrogen levels are excellent. Land survey deed validated."

Dr. Anita Sharma
